- i. Source: Numerator: Ohio Department of Health Data Mart (Ohio Mortality Public Use Statistical File) available (by request) at: john.paulson@odh.ohio.gov. Denominator: The population figures are from US Census Bureau, American Community Survey: http://factfinder.census.gov/servlet/QTTable?_bm=y&-context=qt&-qr_name=PEP_2007_EST_DP1&-ds_name=PEP_2007_EST&-CONTEXT=qt&-tree_id=807&-geo_id=04000US39&-search_results=01000US&-format=&-_lang=en.
- ii. This is a general population measure.
- iii. The population data reflect only US Census Bureau, American Community Survey (ACS) data versus a mixture of some rates calculated with CDC Bridged Census data and some with ACS data.
- iv. The calculated age groups' suicide rate does not include the population figures of persons from 0 to > 5 years of age. (There were no suicides in the 0 to > 5 years of age group.)
